

14th March 2026 | Radisson Blu, Mumbai

The Bharat EV Awards 2026, presented under the prestigious **National Feather Awards platform**, are dedicated to recognizing and celebrating excellence, innovation and leadership across India's rapidly growing Electric Vehicle (EV) ecosystem.

As India accelerates towards sustainable and electrified mobility, the Bharat EV Awards honour organizations and individuals who are making a meaningful impact across the entire EV value chain, including EV manufacturing, smart battery technologies, energy storage solutions, charging infrastructure, clean energy integration and allied EV technologies.

These awards serve as a benchmark of credibility, celebrating pioneers, innovators and leaders who are shaping the future of electric mobility in India through technology, sustainability and strategic vision.

EV SECTOR (ELECTRIC VEHICLES) – AWARD CATEGORIES

ORGANIZATIONAL

| | |
|---------------------------------------|--|
| EV Manufacturer of the Year | Excellence in EV Safety & Technology |
| Best Electric Two-Wheeler Brand | Sustainable Transportation Company of the Year |
| Best Electric Four-Wheeler Brand | Fleet Electrification Leader |
| EV Startup of the Year | Best Connected EV Platform |
| Innovation in EV Design & Engineering | Top Exporting EV Brand |

INDIVIDUAL

| | |
|--------------------------------|---|
| CEO of the Year | Emerging EV Tech Visionary |
| EV Entrepreneur of the Year | Excellence in EV Manufacturing Leadership |
| R&D Innovator in EV Technology | Women Leader in EV Industry |

Battery Sector – Award Categories

ORGANIZATIONAL

| | |
|------------------------------------|-------------------------------------|
| Battery Manufacturer of the Year | Best Battery Swapping Network |
| Most Innovative Battery Technology | Fastest Growing Battery Startup |
| Best Solid-State Battery Innovator | Excellence in Lithium-Ion Solutions |

| | |
|---------------------------------------|--|
| Sustainable Battery Recycling Company | Energy Storage System Provider of the Year |
| Leader in Battery Safety & Standards | Green Battery Tech Company |

INDIVIDUAL

| | |
|----------------------------------|---|
| CEO of the Year | Women in Battery Engineering |
| Battery Technologist of the Year | Young Leader in Battery R&D |
| Innovator in Battery Chemistry | Pioneer in Battery Lifecycle Management |

⚡ Energy Sector – Award Categories

ORGANIZATIONAL

| | |
|---|--------------------------------------|
| Clean Energy Company of the Year | Distributed Energy Innovator |
| Best Renewable Energy Integration in EV | Excellence in Solar + EV Integration |
| Sustainable Power Management Company | Smart Energy Management Company |
| Innovation in Grid-Scale Energy Storage | Microgrid Innovator for EV Support |
| Green Hydrogen Mobility Leader | Green Energy Startup of the Year |

INDIVIDUAL

| | |
|------------------------------|-------------------------------------|
| CEO of the Year | Innovation in Renewable Mobility |
| Energy Transition Leader | Sustainable Power Strategist |
| Women Leader in Clean Energy | Technologist in Energy Optimization |

⚡ EV Charging Sector – Award Categories

ORGANIZATIONAL

| | |
|---|---------------------------------------|
| Charging Infrastructure Company of the Year | Excellence in Charging Station Design |
| Best Fast-Charging Network | Highway Charging Solution Provider |
| EV Charging Startup of the Year | Fleet Charging Solutions Leader |
| Most Reliable Charging Technology | Interoperable Charging Platform Award |
| Urban EV Charging Innovator | Smart Charging Management System |

INDIVIDUAL

| | |
|---|--|
| CEO of the Year | Women Innovator in Charging Tech |
| Leader in EV Charging Solutions | Strategic Planner for Charging Network Expansion |
| Technologist in Charging Infrastructure | Sustainability Advocate in EV Energy Delivery |

🏆 Special Award Categories

ORGANIZATIONAL

| | |
|--|---|
| Game Changer in Clean Mobility | Most Innovative Public-Private Partnership |
| Most Impactful Sustainability Initiative | Best Integration of AI & IoT in E-Mobility |
| Global Impact Award in Green Technology | Brand of the Year (EV + Battery + Energy) |
| Breakthrough Innovation by a Startup | Trailblazer in Policy Advocacy for EV Ecosystem |

| | |
|--|------------------------------------|
| Best Industry-Academia Collaboration | Most Trusted Brand in E-Mobility |
| Excellence in Cross-Sector Collaboration (EV + Battery + Energy) | Most Promising GreenTech Startup |
| INDIVIDUAL | |
| Next-Gen Tech Leader in E-Mobility | EV Business Leader of the Year |
| Lifetime Achievement in E-Mobility | Women of Impact in Future Mobility |
| Hall of Fame Award | Brand Builder of the Year |
| Marketing Professional of the Year | Young Disruptor of the Year |
| Visionary Leader in Green Energy Transformation | Rising Star in Electric Mobility |
